Dear Sir,

NOTICE OF AN APPLICATION FOR VARIATION PURSUANT TO SECTION 36C OF THE ELECTRICITY ACT 1989 AND SECTIONS 90(2) AND 90(2ZA) OF THE TOWN & COUNTRY PLANNING ACT 1990

MGT TEESIDE RENEWABLE ENERGY PLANT, TEESDOCK, GRANGETOWN, MIDDLESBOROUGH, TS6 6UD

MGT Teesside Limited has submitted to the Secretary of State for Energy and Climate Change an application pursuant to section 36C of the Electricity Act 1989 and sections 90(2) and 90(2ZA) of the Town & Country Planning Act to vary a section 36 consent and a section 90 Direction for deemed planning permission (Ref: 01.08.10.04/351C) which was granted on 9 March 2010 in relation to a 295MW biomass fuelled generating plant at Teesdock, Grangetown, Middlesborough, TS6 6UD.

The application to vary the Section 36 Consent and Section 90 Direction is for:

- An increase in permitted generating capacity from 295 MW to 299 MW;
- The potential to use a variety of biomass fuel types;
- Design revisions to the indicative physical proportions and layout of some of the buildings;
- An increase in the boundary of the Development site to include the re-routing of a conveyor from a berth that directly adjoins the Development site.

We attach the application and the Addendum to the Environmental Statement with a Non-Technical Summary which considers the environmental effects of the changes proposed to those described in the original Environmental Statements that were submitted and referred to in the Section 36 Consent. The application with the original Environmental Statements are attached in the attached CD. If you require a hardcopy please let me know.

We hope you have sufficient information in order to fully consider the proposed variations, however, if you have any queries or require further information please do not hesitate to contact me either by telephone on 07813121616 or by email on anju.sanehi@mgtpower.com.

Any objections to or other representations on the variation application should do so in writing to the Secretary of State for Energy and Climate Change c/o: Robert Pridham, Department of Energy and Climate Change, 3 Whitehall Place, London SW1A 2AW or by email to Robert.Pridham@decc.gsi.gov.uk. All representations should be received no later than 10 August 2015.
